

RIYA H.S. PANDEY

9321686719 | riyapandey3764@gmail.com | Kalyan, Maharashtra

[GitHub](#) | [LinkedIn](#) | [Portfolio](#)

TECHNICAL SKILLS

Programming: Python, SQL, MongoDB, Pandas .

Tools & Platforms: Git, GitHub, Jupyter Notebook, Power BI, Tableau, Docker, Excel.

Data Concepts: Data Cleaning, Data Wrangling, Data Modelling, Exploratory Data Analysis, Consumer Behavior Analysis.

Data Visualization & Processing: Pandas, Matplotlib, Seaborn, Power BI, Tableau, Excel Charts, Pivot Tables.

Other Skills: Reporting, Documentation, Problem Solving, Analytical Thinking, Communication.

EDUCATION

M.S. Data Analytics (Pursuing) — Department of Information Technology, University of Mumbai, Kalina

B.S. Information Technology (June 2022 – March 2025) — Model College of Science and Commerce, Kalyan

CGPA: 8.75

KEY PROJECTS & EXPERIENCE

- **Movie Recommendation System:** Built a content-based recommendation system using Python and Pandas; performed data cleaning, feature extraction, and similarity analysis; generated personalized recommendations based on user preferences.
- **Power BI Job Market Dashboard (Power BI):** Developed an interactive dashboard analyzing 2024 job trends and salary insights across countries; visualized job counts, salary trends, and top-paying roles using charts and dashboard for over 479K Jobs.
- **Facial Golden Ratio Detection:** Developed a Python-based image processing system analyzing facial proportions and symmetry metrics using mathematical ratios and visualization techniques.
- **Route Optimization System:** Designed a route prediction algorithm for shortest-time travel paths using real-time data; focused on optimizing travel efficiency and analytical problem-solving.
- **Customer Purchase Behavior Analysis using Excel:** Analyzed customer purchase data to identify consumer behavior patterns; built Pivot Tables and dashboards;

identified VIP customers contributing major revenue share and sales trends across age groups.

CERTIFICATIONS & TRAINING

- Data Analytics Job Simulation – Deloitte (Forage)
- Cloud Computing Internship – iFuture
- Research Methodology Course – Udemy

STRENGTHS

- Strong analytical and problem-solving skills
- Effective communication and presentation abilities
- Quick learner with ability to work independently and adapt to new tools
